

Guild Team Lead contract

CS110 WEEK 7 / GUILD TEAM LEAD CONTRACT

Team: Awayzo

Team Lead: Lexxie

Members: Lexxie, Niko, Paulina, Rudy

Term: One lead serves the full Week 7 project, from 7A through the final package.

DUTIES

1. Confirm each member's approved GitHub access and preserve both checkpoints.
2. Track tasks and participation; make sure every member contributes and can explain their work.
3. Check source, evidence, documentation, package integrity and the final GitHub link.

BOUNDARY

The lead coordinates; they never collect credentials or do everyone's work.

AWARD

Instructor-verified completion earns the lead five stickers and one guild card. It does not replace grade requirements.

This contract records the team's chosen role. The instructor verifies fulfillment. It is not a grade or attendance receipt.
